Retired from your job . . . but not from life? Make volunteering a part of your retirement plan!

Join Steuben County RSVP!

Steuben County RSVP offers interesting, meaningful volunteer opportunities to persons, 55 years of age or older, who are eager to do something that makes a difference in their community. Join over 540 RSVP volunteers who last year contributed over 75,000 volunteer hours in a variety of volunteer positions. RSVP specializes in tapping the skills and experience of those who are nearing retirement, recent retirees and long-term retirees by matching their talents and interests with the critical needs of local non-profit organizations.

As an RSVP volunteer you receive :

- Personalized service from the RSVP volunteer coordinator who will help you find just the right volunteer opportunity for you. The coordinator will then stay in touch with you as needed.
- Connections to volunteer opportunities that serve a critical community need. You know your time will be well invested in making a difference in your community.
- Pre-screening of agencies for good volunteer management.
- A chance to meet new people and connect with other RSVP volunteers.
- Secondary accident and liability insurance coverage while en route to and from your volunteer placement and while volunteering.
- The *Second Season* newsletter which highlights volunteer opportunities and keeps you informed of activities, programs, and information of interest to area seniors.
- An increased sense of well-being. Recent surveys and national research have documented that volunteering may improve health and emotional and social well-being of the volunteer!
